Change is the foundation upon which new opportunities, principles, and ideas are reflected. Though quite often not anticipated or understood, changes are the representation of our hopes and our dreams.

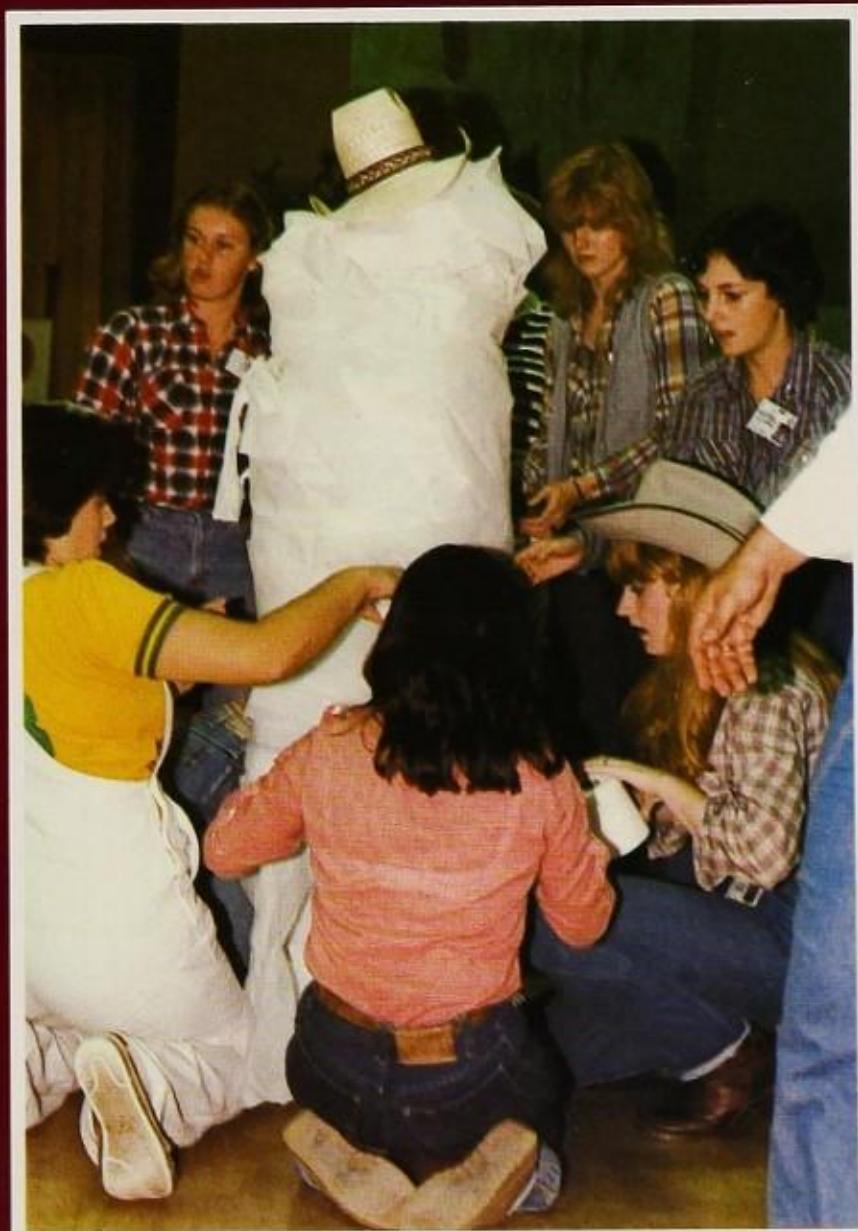

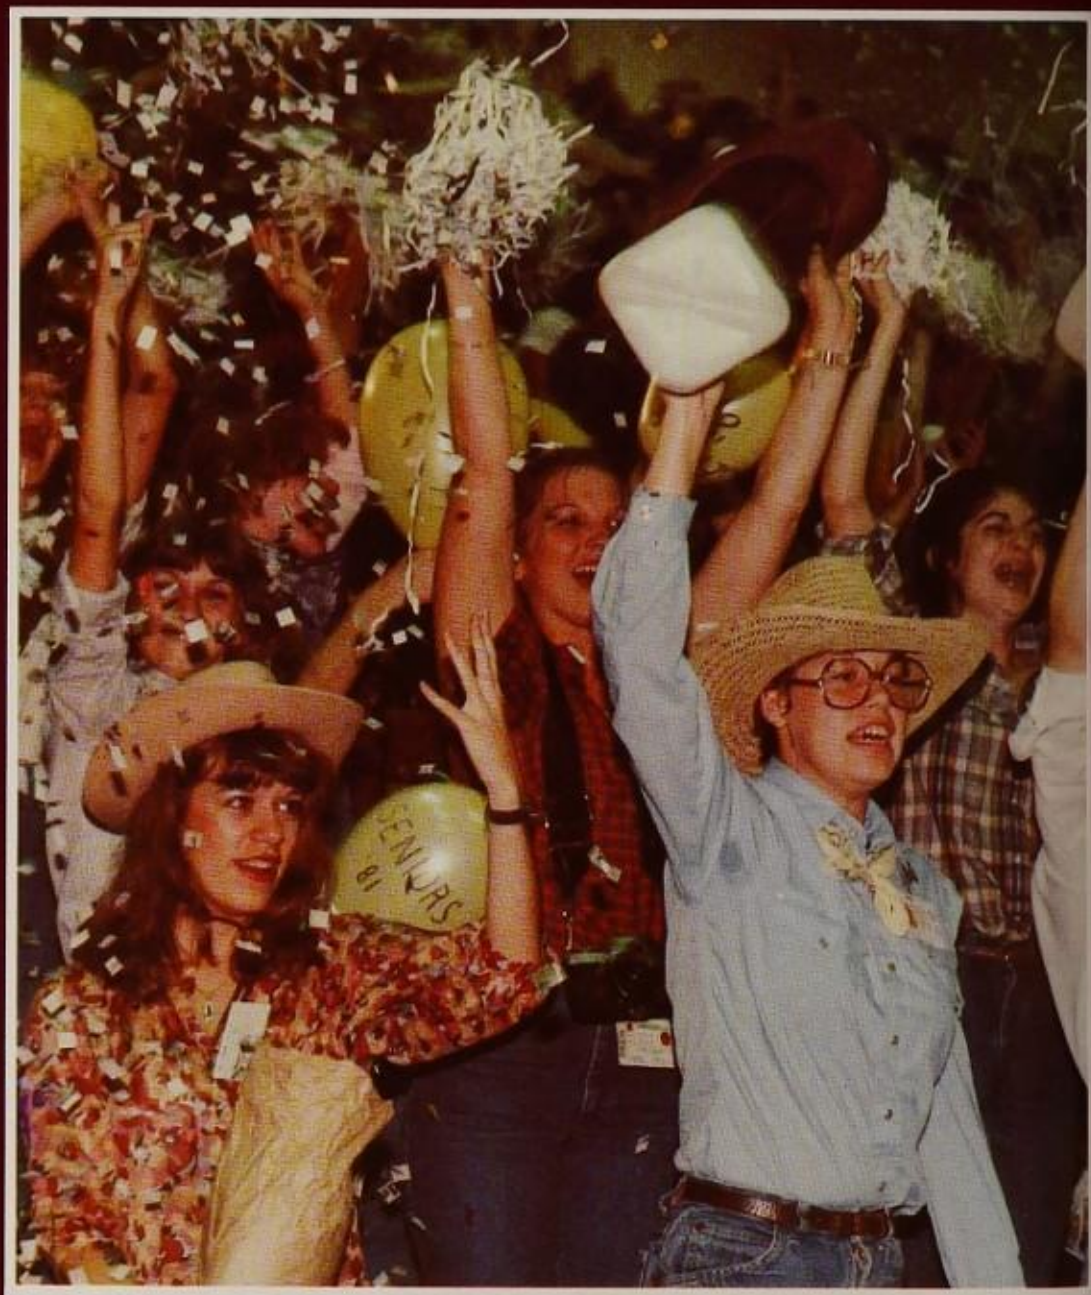

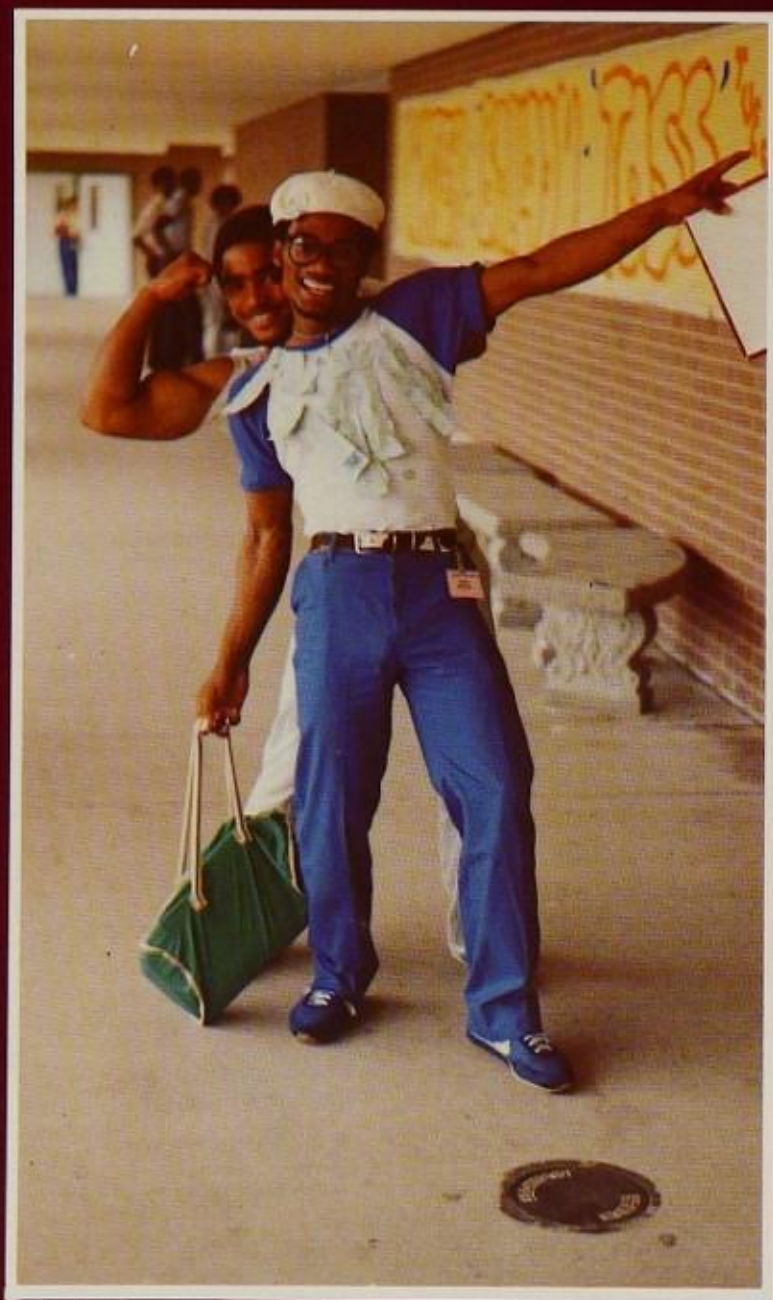

People change and circumstances change . . . and it is often the case that so many find it difficult to accept these changes. However the acceptance of change is perhaps as inevitable and ultimately necessary as change itself. The ability to accept change is a quality of vital importance within our society for the acceptance of change is the basis for the acceptance for other human beings.

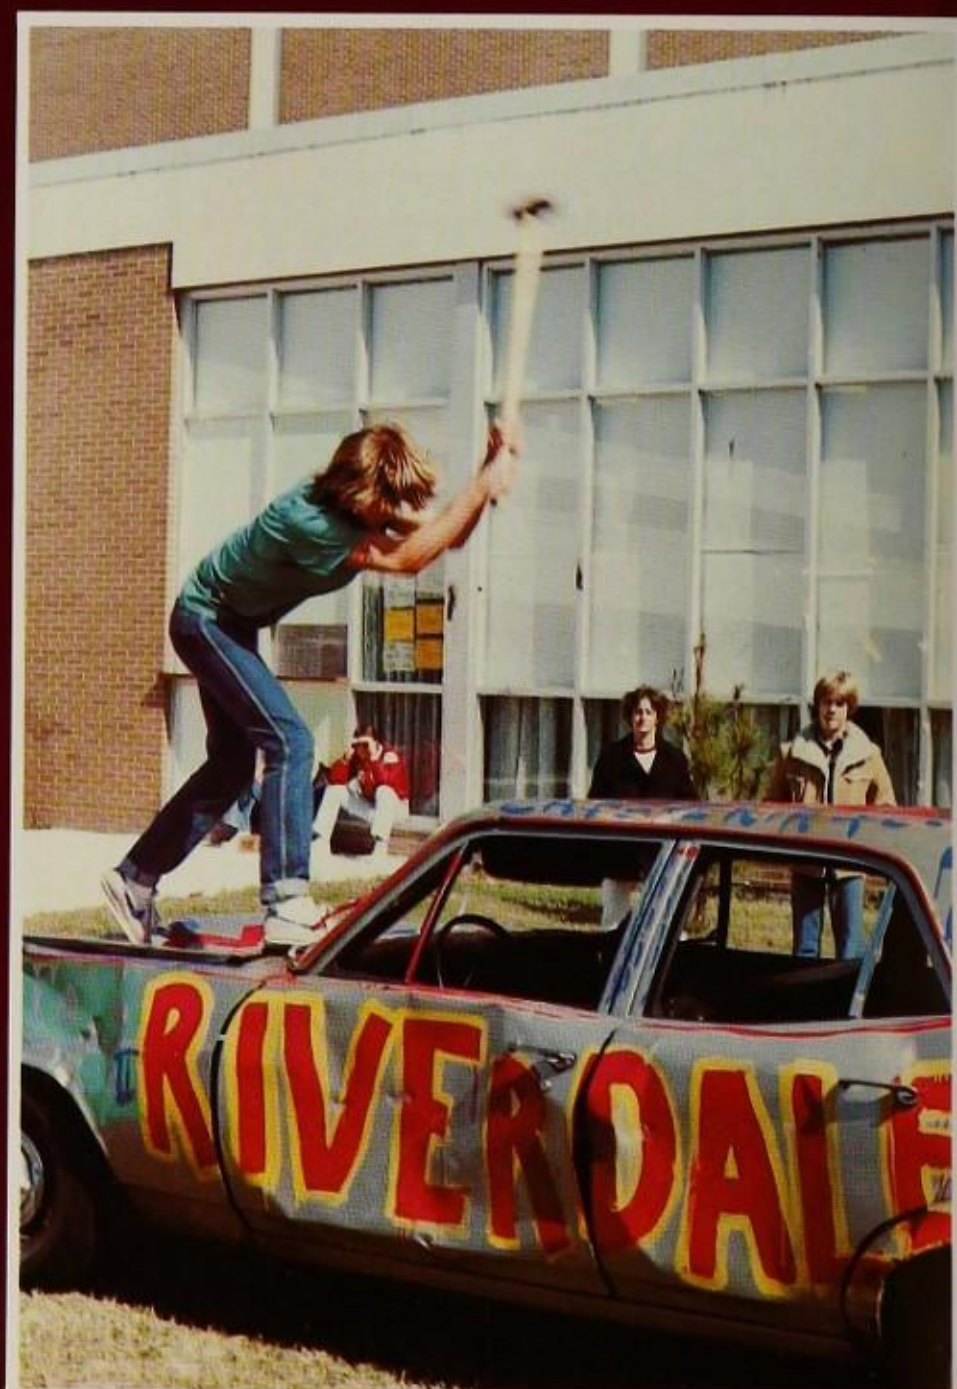

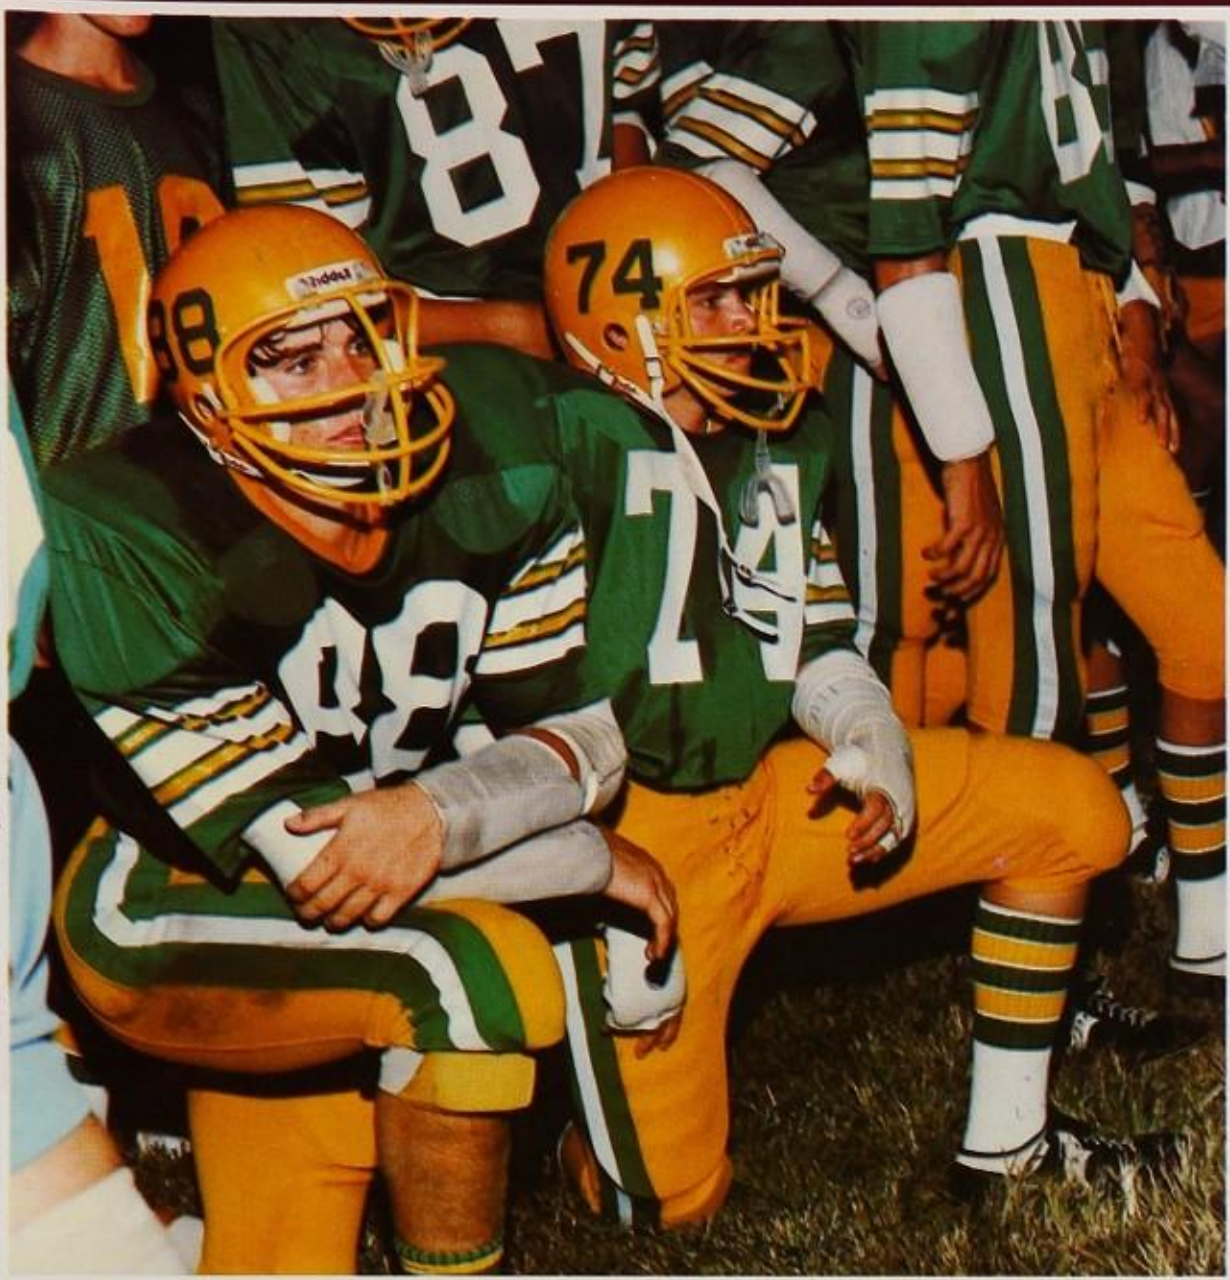

Friendship plays an important part in change — for the friend with whom you learn to grow and experience change with is the friend with whom you will always share an inexpressible closeness.

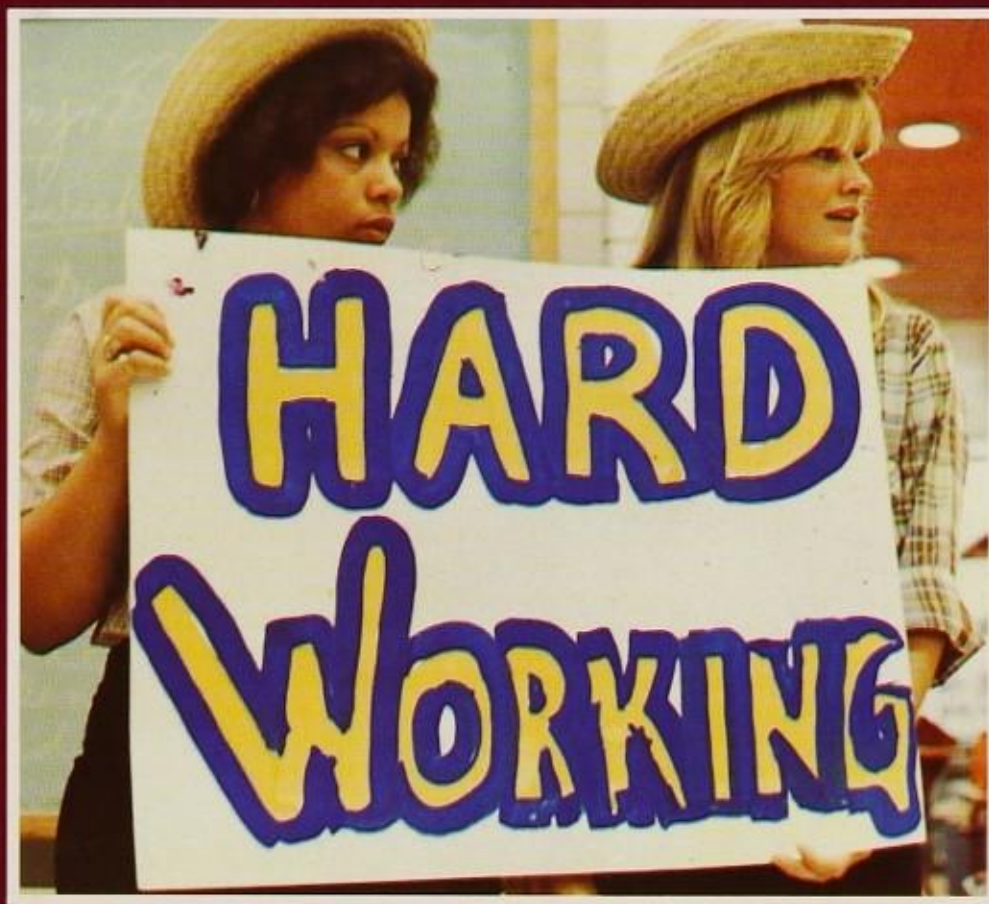

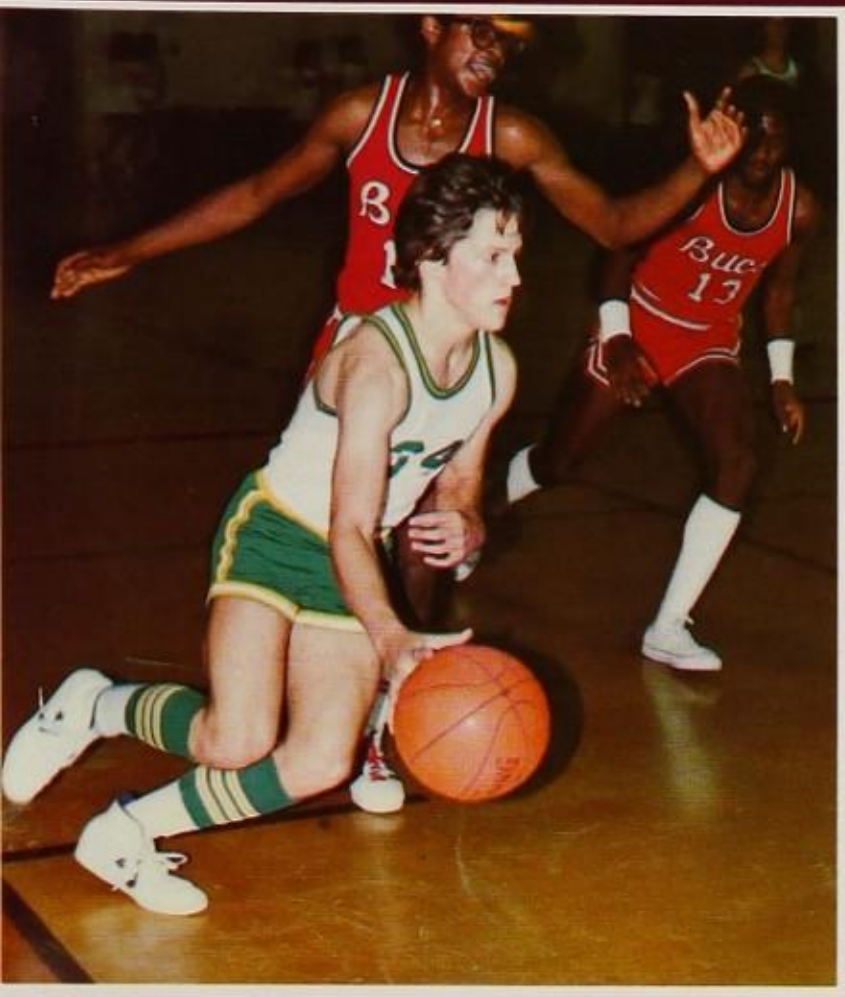

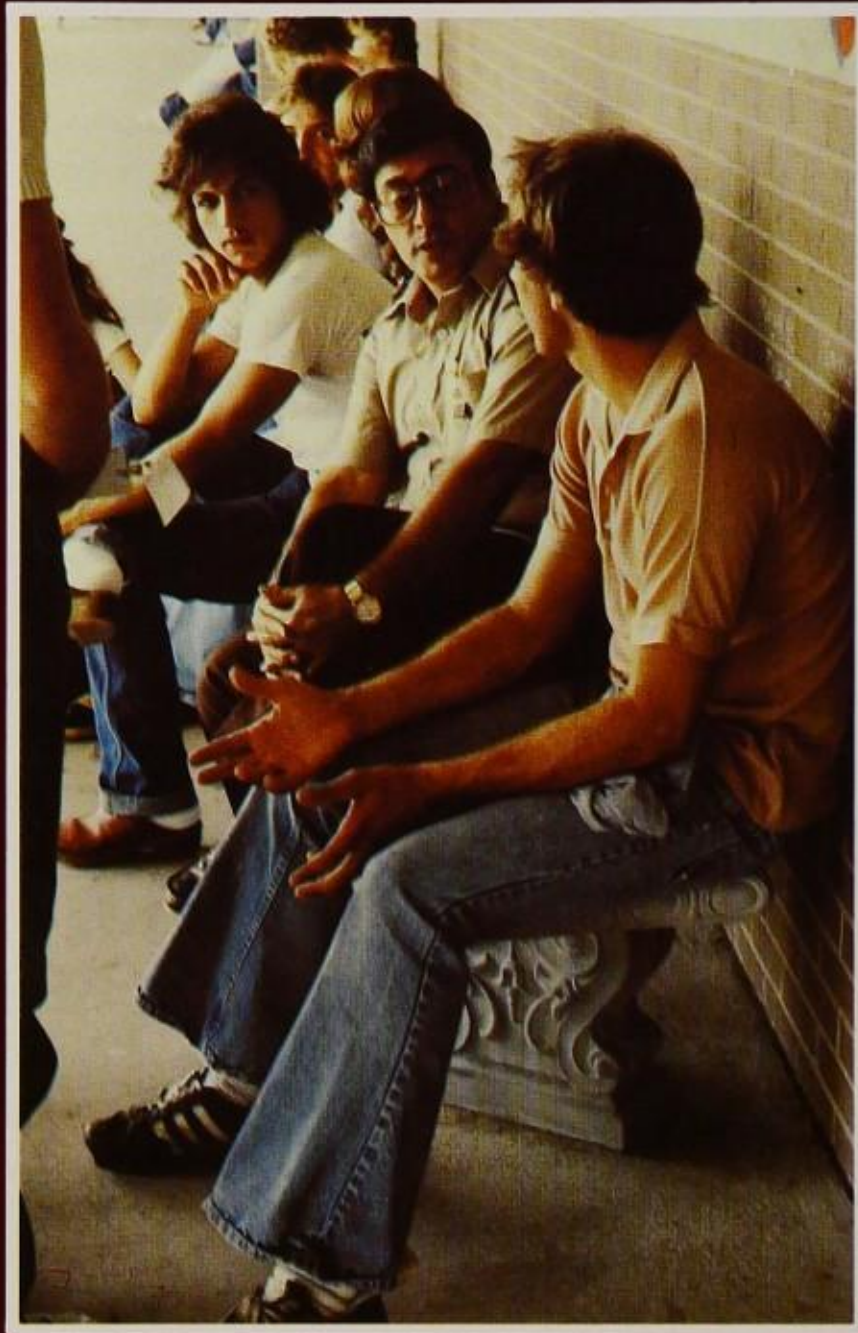

In the occurrence of change certain risks must be taken, for the greatest hazard in life is to risk nothing. Definite goals must be established, however risky and unobtainable, they might appear, yet without trying our goals could never be reached nor our success attained.

It is important that we grasp the meanings of today's changes for our future is determined by the direction in which we are matured by the changes of life. For every decision made is a risk but it is our selective decisions that choose the paths we are to follow.

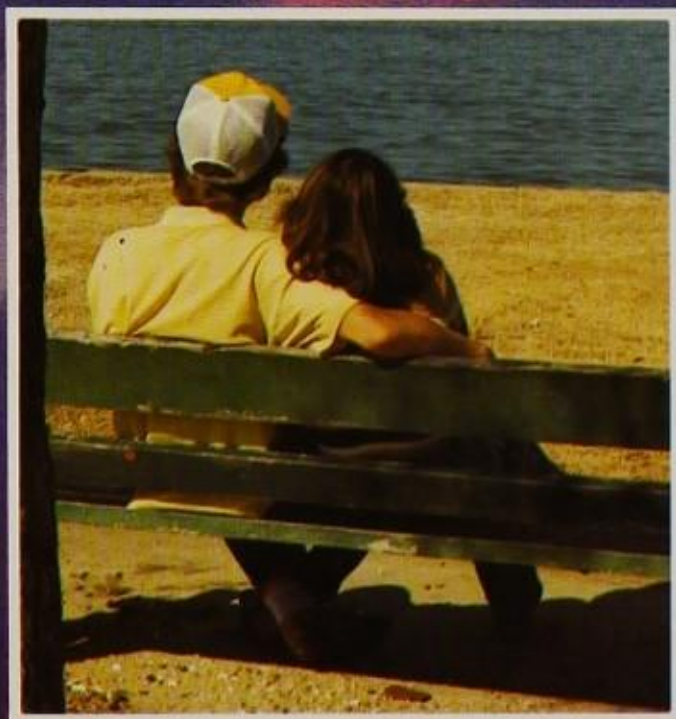

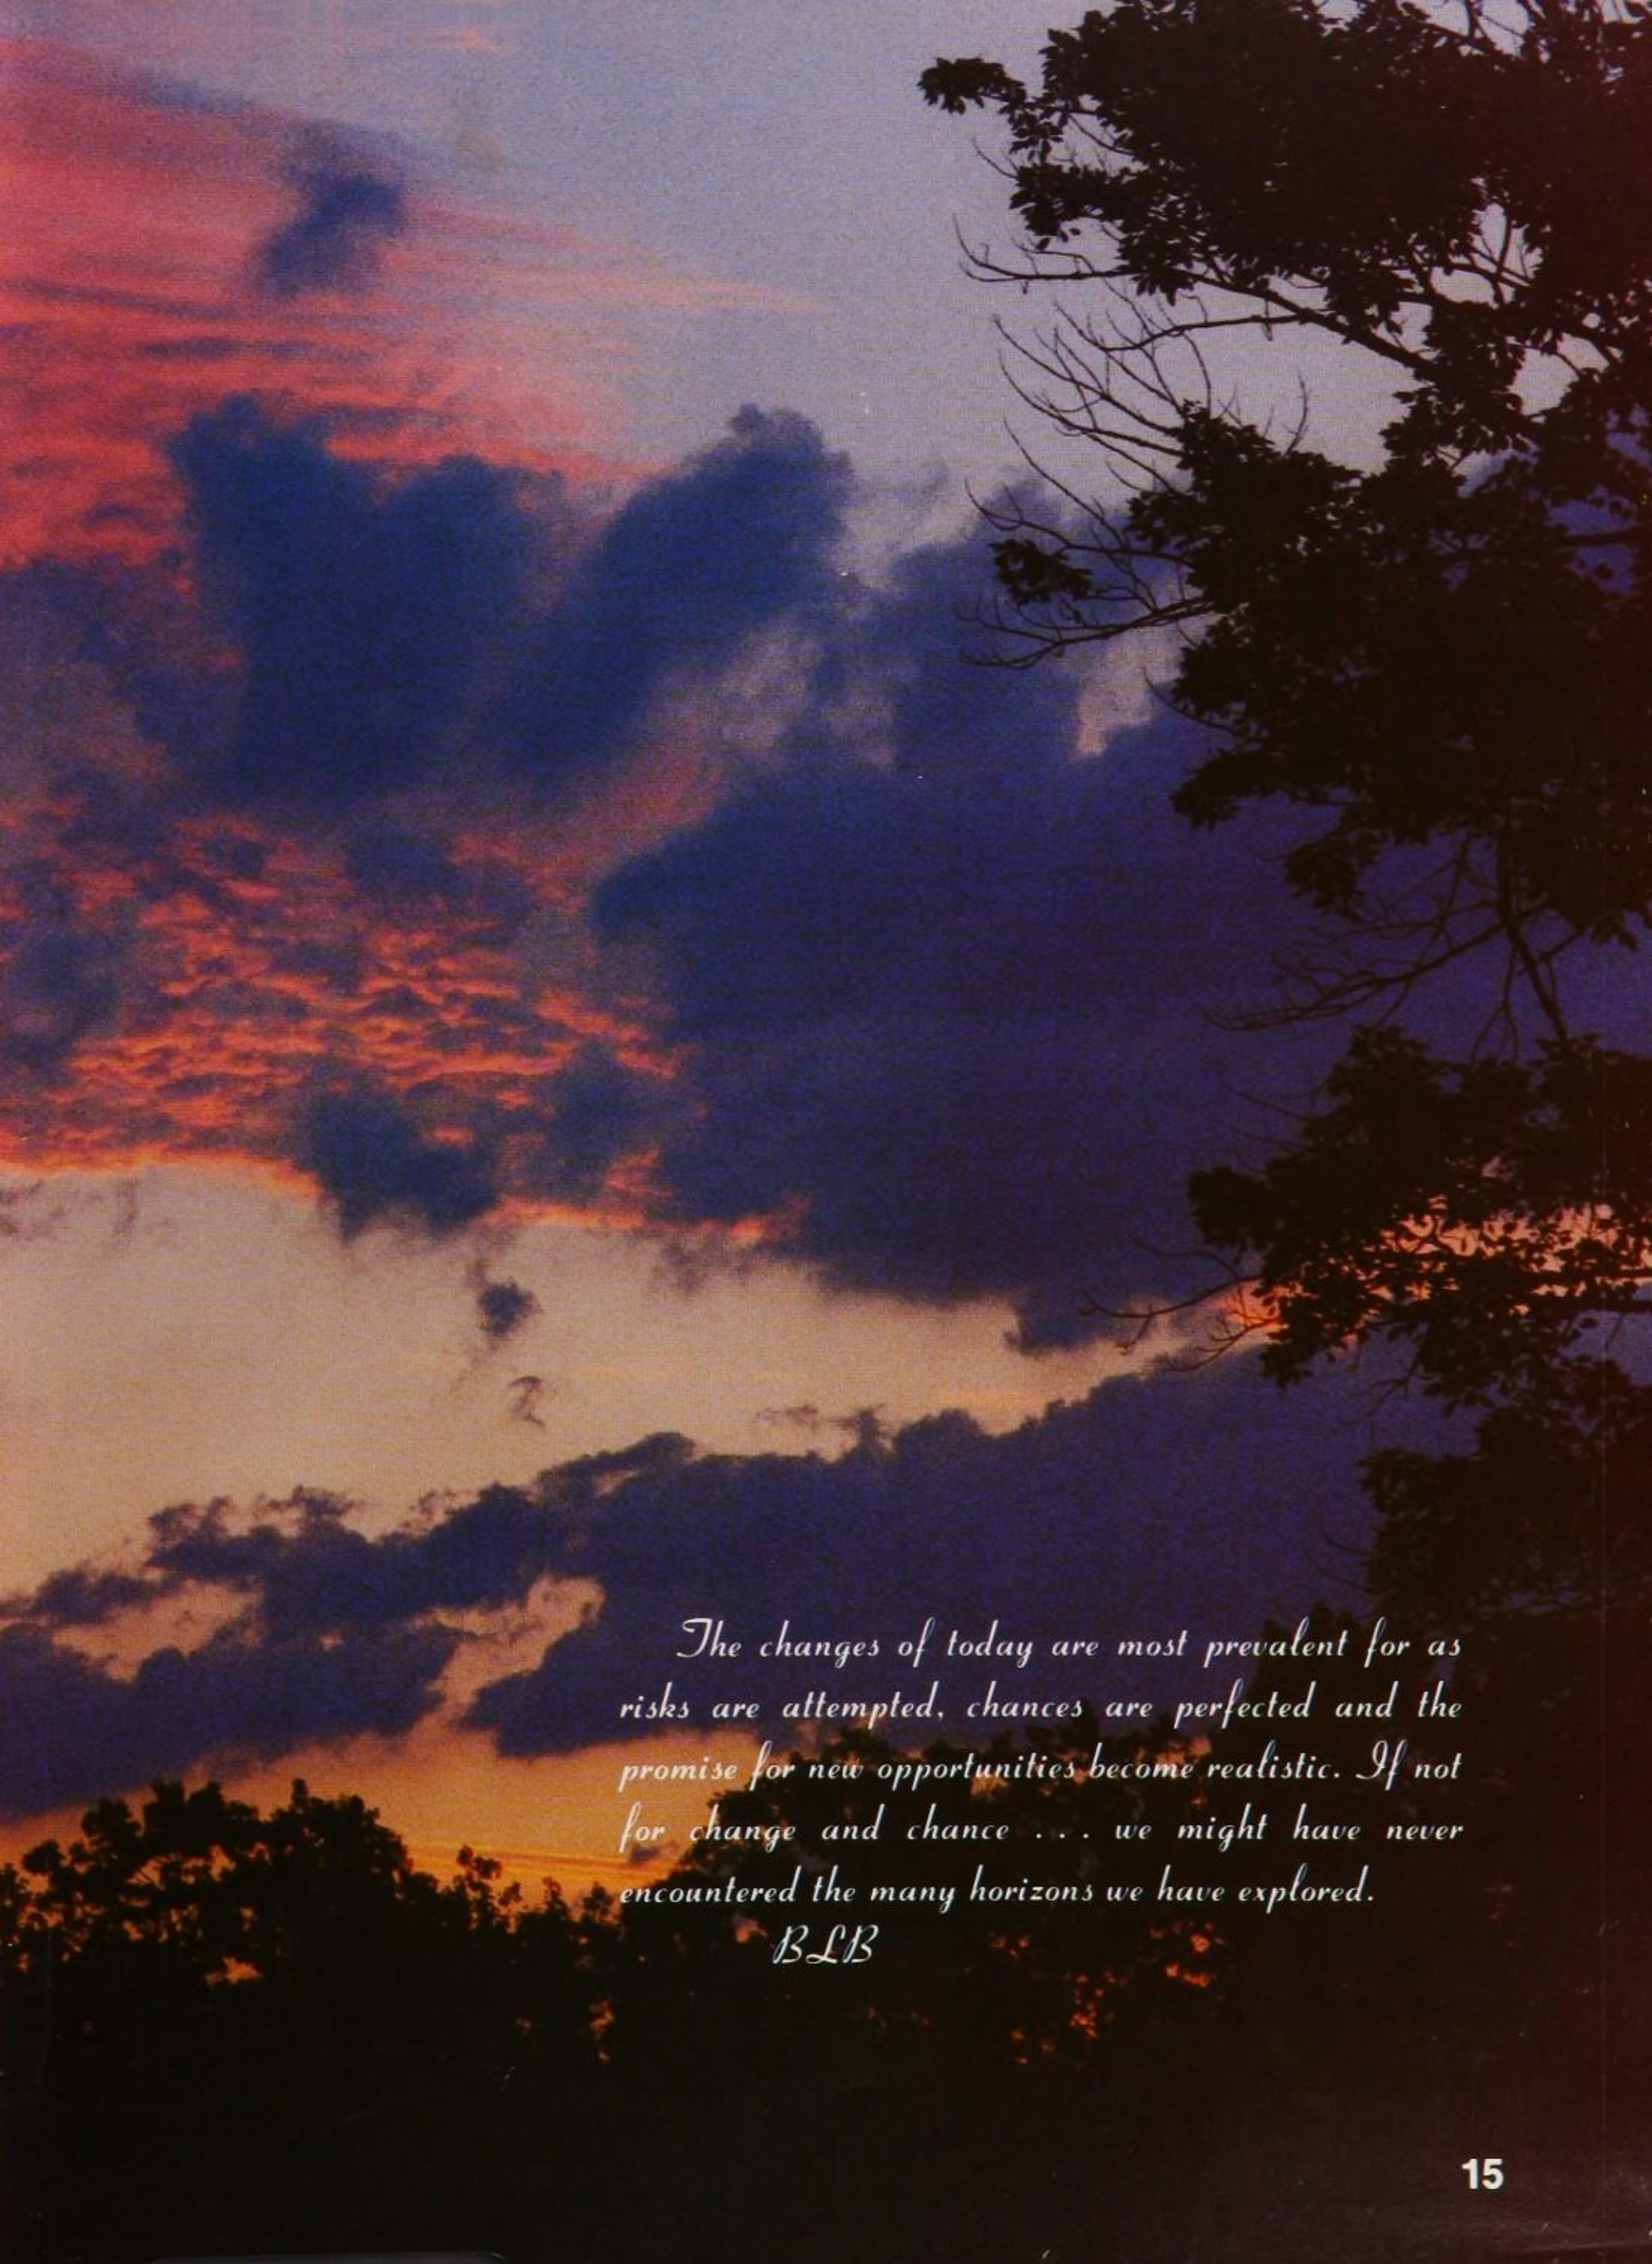

Communication between people is altered by untrue beliefs, dogmatic judgements, and disguised characters. The expression of our opinions is a risk, but it is also a characteristic all should possess. For the revelation of our most inner feelings can disclose meanings capable of dissolving the barriers that divide us.

The changes of today are most prevalent for as risks are attempted, chances are perfected and the promise for new opportunities become realistic. If not for change and chance . . . we might have never encountered the many horizons we have explored.

During the summer, six members of the *Shillelagh* Staff journeyed to USL to attend the Taylor Workshop. There they learned techniques in photography and layout design and planned the 1981 yearbook. After a week filled with diligent work and assorted "extra-curricular activities," an awards presentation was made and Grace King proudly received seconds in Best Faculty Layout by **Pat Sabillon**, Best Copy by **Bonnie Blundell**, Best Cover Design by **Jamie Lemartiniere**, and the staff received the Superior Yearbook Award.

Class And Council Offices Sought

An unusual twist headed the 1980-81 fall campaign trail. Not only were the class officers elected, but the Student Council Executive Board was also elected. The reason for this is that Grace King, as a whole experienced a big change. After being all girls for twelve years, Grace King became coed. However, this change did not affect the hard work and determination the candidates put forth. Each office seeker hung signs and gave out flyers to get the student body's vote. Then on the fourth day of campaigning each candidate gave a brief speech explaining his qualifications. The campaign week ended at the Back-to-School Dance where the results were announced.

Back-To-School Dance Begins Year

Many changes have occurred this year at Grace King and to break the ice the Student Council sponsored a Back-to-School Dance. This gave the new students a chance to meet and make new friends in an informal atmosphere. The dance created an easy-going setting in which students dressed in the latest craze outfits. There was an added excitement in the air as the 1980-81 Student Council and Class Officers were announced.

The Fighting Irish was a new name heard on Grace King's campus this year. This name signified a unified school. The Irish made their debut at the Ecole Classique Jamboree where they met Crescent City Baptist in a very heated game. Although Grace King played a tough game, Crescent City managed to defeat the Irish 13-0. The student body showed great enthusiasm toward the new football team by filling the Grace King side. This was the beginning of an exciting new addition to Grace King's already notable achievements.

Spirit Builds At Pep Rallies

Everyone enjoys to get rowdy, and Grace King allows all students this chance at its many pep rallies. Pep rallies are held to encourage spirit for the athletics of Grace King. Each pep rally had a unique theme which encouraged the students to dress up for the occasion. Class competitions were the highlights of each assembly. Grace King became known throughout the New Orleans area for its pep rallies because of the classes' spirit.

Seniors Get Long-Awaited Rings

E▲

The Senior Ring is a symbol of achievement recognized instantly by an individual. Each high school student strives to reach his senior year and receive the coveted Senior Ring. This special day for the Class of 1981 was October 10, 1980. Each girl anxiously entered the Grace King Fieldhouse carrying bouquets of flowers given to her by her favorite underclassmen. The Senior Class looked back on their past years at King as the moment each senior awaited approached. After each senior proudly had her ring in her possession, the Senior Class of 1981 was dismissed to enjoy the remainder of the day celebrating with friends.

The night was filled with turning friends' rings, being with a very special guy, and many other special surprises. The Ring Dance served as another special event to be remembered in a senior's memory book.

Homecoming Pep Rally Is Spooky

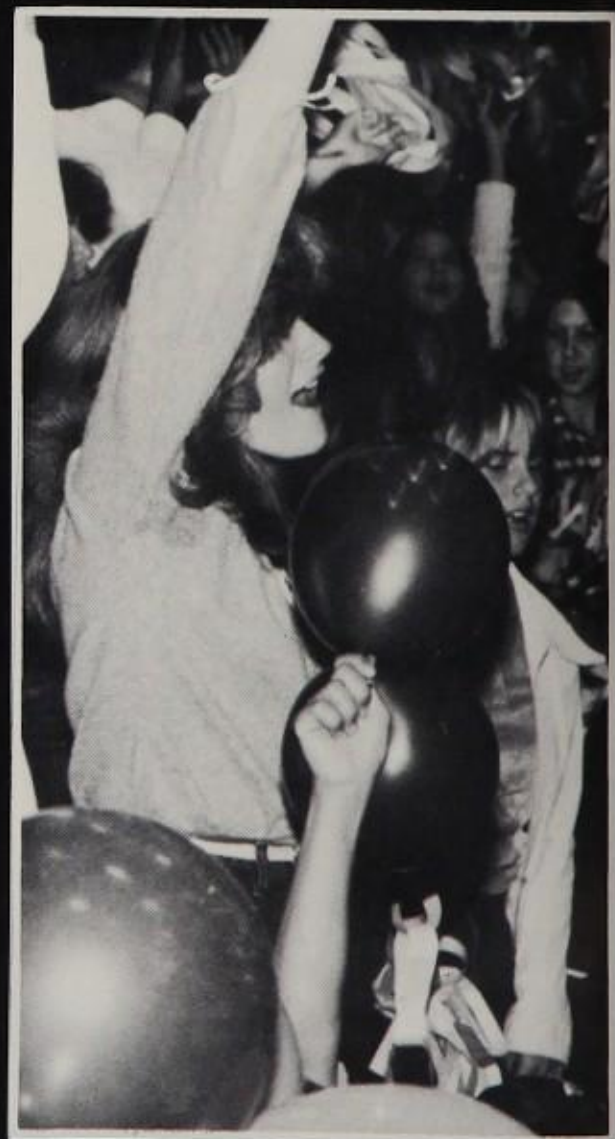

The walls were covered from ceiling to floor with spirited signs backing the Fighting Irish. Chain links were falling from the catwalk. Senior Satans, Junior Vampires, and Sophomore Spooks filled the stands for the exciting Halloween Homecoming Pep Rally. To start off the pep rally, the 1980 Homecoming Court and Fighting Irish Football Team was introduced. Then the class competition started. The seniors took a clean sweep of the awards. They won first place in class dress-up, chain links, wall competition, and class yells. The Juniors followed with four second places, and next the sophomores with four third places. Overall, the Halloween Pep Rally was one of the best in Grace King's history.

The week began with each student receiving a school-wide scavenger hunt list. **Robbie Catalinotto** won the event. A space walk increased the exciting day while each class vigorously sought chain link money. Tuesday brought competition between the sexes with Shamrock Shhh! and the Water Balloon Toss. Everybody had a chance to sit back and enjoy ROYAL ORLEANS in concert on Wednesday. The activities further intensified on Thursday when each student let out his frustrations on a '69 Nova painted with such obscenities as Chemistry and 30-C. Class dress-ups climaxed the week with Senior Satans, Junior Vampires, and Sophomore Ghosts lurking around school. This year the Christmas Assembly was filled with action. The Drama Club did a rendition of The Night Before Christmas, Kermit the Frog explained the disadvantages of being a frog on Christmas, and the chorus and band serenaded the crowd with jolly carols. The highlight of the day was the Student Council's version of The Twelve Days of Christmas. All profits made at the Spring Fling went to pay for the Cheerleaders and Dance Team's annual trip. Each member who participated in the Fashion show received a discount on all clothes modeled from Three-Eleven Shop, Smart Set Formals, and Danny's Men's Wear. To top off the excitement of finding out what the new spring fashions were, door prizes were given away.

Hi-Y Gains Points at Youth Leg

Grace King's Hi-Y Club attended YMCA's Youth Legislature on March 11-13, 1981. Leg gave the fifteen delegates from Grace King a first hand chance to experience how our state government makes, passes, and administers laws by participating in Leg as senators, representatives, and lobbyists. Wendy Troxclair presided as President of the Senate. Extra-curricular activities also enhanced the Grace King reputation when Grace King won the talent show with *Suzaune McKamey's* version of *Cabaret*. Overall, Hi-Y learned many valuable lessons about the democratic process while they had lots of fun.

The spirit and enthusiasm of a coed band made Grace King perform exceptionally well. The Fighting Irish proved to be Jefferson Parish's finest, once again.

Mardi Gras Madness Excites King

Mardi Gras brought fun and merriment to all at Grace King in 1981. The Band, Cheerleaders, Color Guard, Dance Team, and Drill Team participated in the Mardi Gras madness by marching in the Metairie parades. Parades have been an important part of the traditional New Orleans Mardi Gras. Between each float, bands add that little something extra to an already exciting event. Long hard hours went into the preparation of each organization's spectacular performance. Marching proved to be a fun and rewarding experience. Each member's ego was greatly enhanced by the crowd's cheering. Swollen feet, blisters, and sore muscles were the price each marcher in these organizations had to pay. However, they all had a lot of fun and cannot wait to do it again next year.

The theme of the 1981 Student Council Week was Nautical Nonsense. Anchor's Away set the week off to a great start. During lunch everyone was given the chance to hit teachers in the face with a sponge for a mere 25¢. The pirates invaded Tuesday with Treasure Island Day. A treasure hunt for various prizes was held all day in the courtyard. Lucky desks broke the monotony of class when it was announced to look under your desk for a big surprise. Office call-ups and a treasure chest guess built excitement throughout the day. S.O.S. (show your spirit) was Wednesday's theme. Dressed as Sophomore Beach Bums, Junior Pirates, and Senior Sailors, the classes marched into the gym ready for the final pep rally of the year. Each class gave it their all; however, once again the Seniors proved just who was best. They received first place in all events.

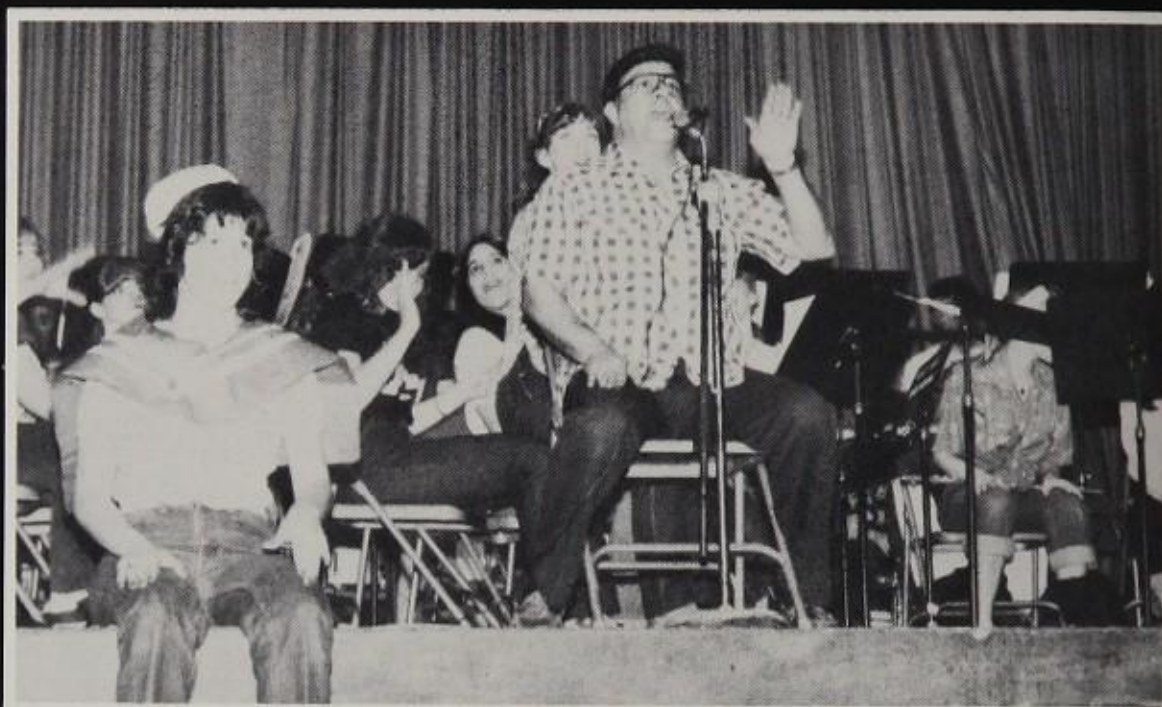

F

Fun and Excitement Dominate Week

High spirit and enthusiasm continued into Thursday with "Let's Go Hawaiian." Friends sent each other colorful leis to let them know how they felt. Also a schoolwide luau during lunch united friends that usually could not meet together for a picnic and music. Friday was entitled Silent Seas. Each boy was given a hush button and the girls vigorously competed to make the most boys talk. This ended a very exciting and fun-filled week.

This dance gave the girls an opportunity to ask any boy to the dance. Once the couple had gone out to dinner and had arrived at the dance many activities were available for them to partake in. The band Sauce Peacan played foot-stomping music that created the country atmosphere. Pictures in a haystack were also alluring. However, the shotgun weddings received the most attention. The boys were forced into a sudden marriage by their date. At the stroke of midnight all marriages performed became null and void, thus ending an adventurous evening.

Irish Spirit Alive at King

St. Patrick's Day 1981 signified Grace King High School's thirteenth birthday. Many activities were held in which each student had a chance to get involved. With everyone wearing green the Student Council initiated the Shamrock Squeeze where everyone gave each other a hug. Every student who bought a lunch had an opportunity to win a prize if he received a lucky plate. Competition between clubs added excitement in the courtyard during lunch with a green egg toss. However, the highlight of St. Patrick's Day was the aluminum can drive for charity. The three classes competed for a week to get the most cans. Irish Team Strives for Success

EA

Grace King was proud to welcome their first boys Varsity Basketball Team. Along with co-education came the boys sports, and this one was well supported. The gym was filled each week with admiring fans that cheered while the team in turn did not let their fans down. To lead their 13 member varsity team to victory, was the team that took part in 14 district games and Grace King, needless to say, was quite proud of their new team.

Wrestling

There is a sport that is supreme,
The fans all watch in awe;
And if you can lend a scream,
Come and join us all.

The sport is known both near and far,
The player is big or small;
And there is an occasional star,
One that's known to all.

And when that match begins,
The people they all cheer;
But when the match draws near an end,
Not a single voice you hear.

The name of the sport is wrestling,
The fans all have their king;
Come and join us in our wrestling,
The sport that is supreme.

Rivette Leads, We Follow

To the Grace King High School Student Body: 1980 marked a school year filled with memorable moments. We realized a year of growth with co-education and the addition of people and activities that this event brought. We realized also an important last — the last all female class to graduate from Grace King High. This yearbook reflects all the joys of this hallmark year. Memories are valuable to each of us, and over the years, your yearbook will increase in value as it reminds you of friends and good times. I know that I shall forever treasure the memory of this important year in my life and the yearbook will provide me with many pleasurable moments of remembering. My wish for you all is that your reflections of your high school years will remain a vital part of the adult that you are now becoming.

Grace King's Social Studies Department offers many elective courses such as Current Issues, Criminology, and a new course Atomic Age. Students can learn through experience by taking part in class events. For example, in Criminology a Mock Trial is held to give students a better look at the procedures of a real trial. Students take roles as judges, lawyers, witnesses, and juries.

Students work part-time and earn three credits for the year. The Business Department sponsors clubs such as FBLA, COE, and DECA.

Officers Make Seniors Tops

In the year of '78
Our '81 class came through the gate
Small in number, but large in spirit.
In our hearts we knew we were best.

As Sophomores our big class joined as one
And proved to the school just what could be done.
The Halloween theme of the pep rally was great,
But it was the Sophomore Suckers who took the cake.
The Sophomore Class was awarded the Spirit Trophy.
We did what we thought could never be done,
We were the first underclassmen to be #1.

The next year brought the title of Juniors to us,
We took it with pride and held it in trust.
The rising spirit of our class was still there,
We told all the others they had to beware.
With brooms and hats bewitched we were
To bring the spirit to an evil stir.
For the second year in a row the spirit trophy was ours,
No other class has done this, we had cheered for endless
hours.

We returned to Grace King with memories and pride.
Our Senior year has finally arrived.
Through the years we've had hard work and fun.
But the top was reserved for the Class of '81.

Sophomores Show Leadership

In the beginning of the year, the Sophomore Class was introduced to the activity program at King. It seemed to take a little time for the class to get involved, but by the middle of the year they learned the true spirit of Grace King as they began to capture points in the competitions: As *Angela Porch* expressed, "I'm really proud to say that we've come a long way!"

Laura, it's been a great, uh, what is it, three years? You've been more valuable to me than you know. Let's rejoice and be merry, we've been betwixt and between many trip areas. Here are some words of advice: don't ever let either of us forget a certain trainee from the Veetus World, an afternoon w/a sunroof, a trip or two to Picayune, a short "Bean" and many rides to Audobon w/a big dog. Please avoid trippin, flippin and flying, especially on the levy, T.B. is out, you may have to snort, don't ever repeat a certain lakefront nite w/a haunted bathroom, do not allow me, beer in hand, near your back pocket, do not take me to Jim Dandy's and please don't let me drink milk w/o a straw. Seniors '82 the best!!!

Gayle, One day someone will write a book about us! (and it won't be Steven or Art) Oh Gay that's what I like, we'll have to talk about it over breakfast, then ride a horse or 2. We'll have to fill up on hurricane mix then go explore some trip area, maybe the land of the lost. O.B. Beware of those slick surfaces (you no more JD in Jim D's, and I won't pick up some guys, or maybe pick up some guys. Did you know our hide and seek bush dies in the winter? Maybe someday Jay will slow down, but not at the haunted bathroom, or Taco Bell, maybe Crazy Legs. My purse is there. I hope someone else drives, you get me dizzy. Why didn't you tell me you fainted? Don't cry over spilled milk just run. It sounds like noise pollution; think NC needs help? Don't look now but here comes Tony. Always remember I'm the greatest you are next. huuhk! Laura

Do you need a reason to join the Louisiana National Guard?

Well, here are some very good incentives- -
FREE COLLEGE TUITION:

State law provides exemption from tuition payments in all state supported Colleges in Louisiana for all active members of the Louisiana National Guard. This exemption may be claimed for five (5) separate years or until receipt of a bachelors degree, whichever occurs first.

\$1500 ENLISTMENT BONUS
or
\$2000 IN EDUCATIONAL ASSISTANCE

High school seniors and graduates who enlist in certain National Guard units may receive a \$1500 enlistment bonus, or \$2000 in educational assistance.

SPLIT TRAINING PROGRAM

Split training means that your Basic Training and Advanced Individual Training in the National Guard (which must be completed within a twelve (12) month time frame) can be staggered to fit your personal schedule.

For example, you can take Basic Training the summer of your junior year. Consider it a paid full-time summer job. During your senior year of high school, you will go to the monthly National Guard meetings. Consider it a paid part-time job. Then you can take your Advanced Individual Training the next summer, be paid for that too, and be home in time to attend college, business or vocational school in September. That's two summers of full-time employment, and two years of part-time employment.
